

Berry Heritage Festival

April 23 & 24, 2010

Berry, Alabama

We are proud to present the town of Berry's first annual "Berry Heritage Festival". The festival is being held Friday, April 23, 2010 from 5 p.m. until... and April 24, 2010 from 8:00 AM until 6:00 PM. The downtown area will be buzzing with activities including live entertainment, arts and crafts, a flea market, a food court, a combined vintage car, tractor and motorcycle "Cruise In" and a kid's area. Sonshine Amusements will be operating a carnival during the festival week-end as well. The festival will be centered around Berry Heritage Park which was constructed in 2006. The park has beautiful magnolia trees along a curving walking trail and provides an excellent setting to enjoy the food and festivities to be had by all on a beautiful spring week-end.

Berry is located in Fayette County, north of Tuscaloosa, Alabama and northeast of Birmingham, Alabama.

Booth Size: 12' x 12'

Price: First Booth-Free \$25 for each additional 12' x 12' space (adjoining or separate)
